

# BETTER TOGETHER

Integrate **Operto Teams** with **stayntouch** for a Powerful Operations Management Solution

## Operto Teams Benefits

**Save time** spent scheduling by up to 80%

Increase staff **productivity** and satisfaction.

Fewer missed cleans & maintenance efficiencies means **happier guests, better reviews and more referrals.**

**Increase revenue** by tracking all billable maintenance amounts.

**Retain and attract owners** with higher occupancy due to faster turns, happier guests & better reviews.

Ability to **grow & increase your company's valuation** without chaos.

## Integration FLOW
